

INVITATION TO THE

30. INTERNATIONAL SETH-CONFERENCE (JUBILEE CONFERENCE)

FROM OKTOBER 21ST THROUGH OKTOBER 23RD 2011
AT THE HOHENWART-FORUM NEAR PFORZHEIM, GERMANY

«You will reincarnate whether or not you believe that you will. It is much easier if your theories fit reality, but if they do not, then you do not change reality one iota.»

30. INTERNATIONAL SETH-CONFERENCE (JUBILEE CONFERENCE)

PROGRAM

FRIDAY EVENING

The conference starts with readings of new Seth-texts.
Afterwards a reincarnation-party à la Jane Roberts is planned.

REINKARNATION-PARTY

Similar to Jane Roberts ASW-class there will be a reincarnation party. In the break after the reading conference participants shall dress up as a former „reincarnation self“ - one that is currently the closest and most fun. There will be a introduction circle where each participant will say out loud a short phrase they find descriptive of this „parallel self“. Afterwards people can connect and exchange ideas about their various selves. This will be fun!

SATURDAY MORNING

We will be discussing Seth-Material related topics in small groups. Topics include reincarnation, the secure universe, life after death, guilt, perpetrator and victim, and so on...

SATURDAY AFTERNOON

We will look back on the 30-year history of the Vereinigung der Seth-Freunde. Interesting facts and personal anecdotes will be presented along with plans for the future of the Vereinigung.

SATURDAY EVENING

MARY DILLMAN

is our special guest. She has been studying the Seth material archived at Yale University Library since 1998. She has a tremendous knowledge of the Seth material and a great sense of humor. She will tell us about her work and we will experience exciting material that has not yet been published. This talk will be held in English.

SUNDAY MORNING

MADELEINE GRESCH

a professional hypnosis-therapist leads us through a group trance combined with Seth-exercises.

CLOSE

Nach einem gemeinsamen Mittagessen und einer kurzen Abschlussrunde geht es dann - frisch gestärkt und voll neuer Ideen - wieder nach Hause.
